Hi Wally,

Did you get a chance to look at the changes made to the ESD?

Wally,

Attached is the draft final ESD #2 with your comments incorporated. I yellow highlighted all text that has changed per your comments and/or or attorney comments.

I'm checking with my attorney on one of your comments (the one about deleting "potable" from the text under Section IV. Description of Significant Differences of the ESD). I kept "potable" in the text for now but this may change depending on my attorney's feedback.

Please let me know if the changes are acceptable to you. Thanks, Shari
